SQL Initialization

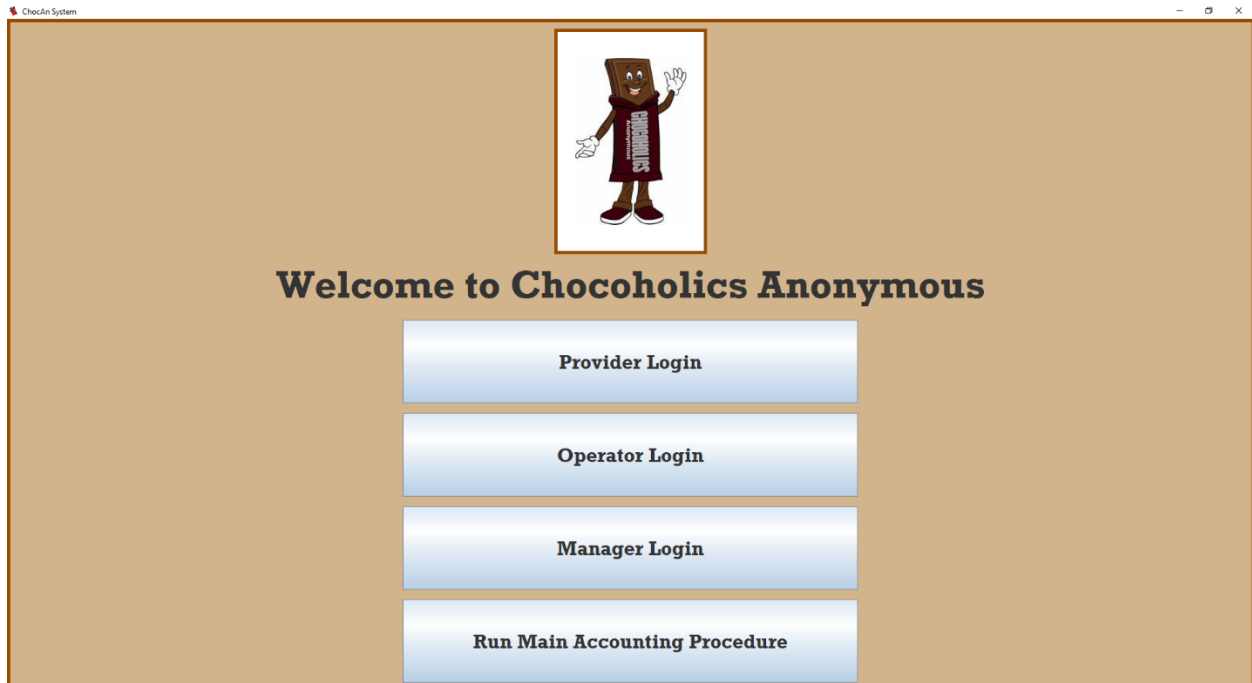

Upon your first execution of this project, you will be presented with this screen.

A screenshot of a software window titled "Set SQL Preferences". The window has a light blue background. At the top center is a cartoon character of a brown book with a face, arms, and legs, wearing a red graduation cap and gown. Below the character is the title "Set SQL Preferences" in bold black text. Underneath the title is the label "SQL Server Information:" in a smaller font. There are five text input fields stacked vertically, each with a light blue border and a white background. The labels for these fields are "Server Name", "Port Number", "Database Name", "SQL Authentication Username", and "SQL Authentication Password". Below the last field is a blue button with the text "Save Info" in white. The window has a standard macOS-style title bar with a red close button, a yellow maximize button, and a green window control button.

In the first text box enter the name of your SQL Server. Please enter the name exactly as it is, if there are escape characters they will be handled. In the second text box enter the port your server is running on. In the third text box enter the name of the database you will be using for this software. In the fourth text box enter you SQL authentication username. In the fifth text box enter your SQL authentication password. Click save info and confirm to begin utilizing the program.

Home Screen

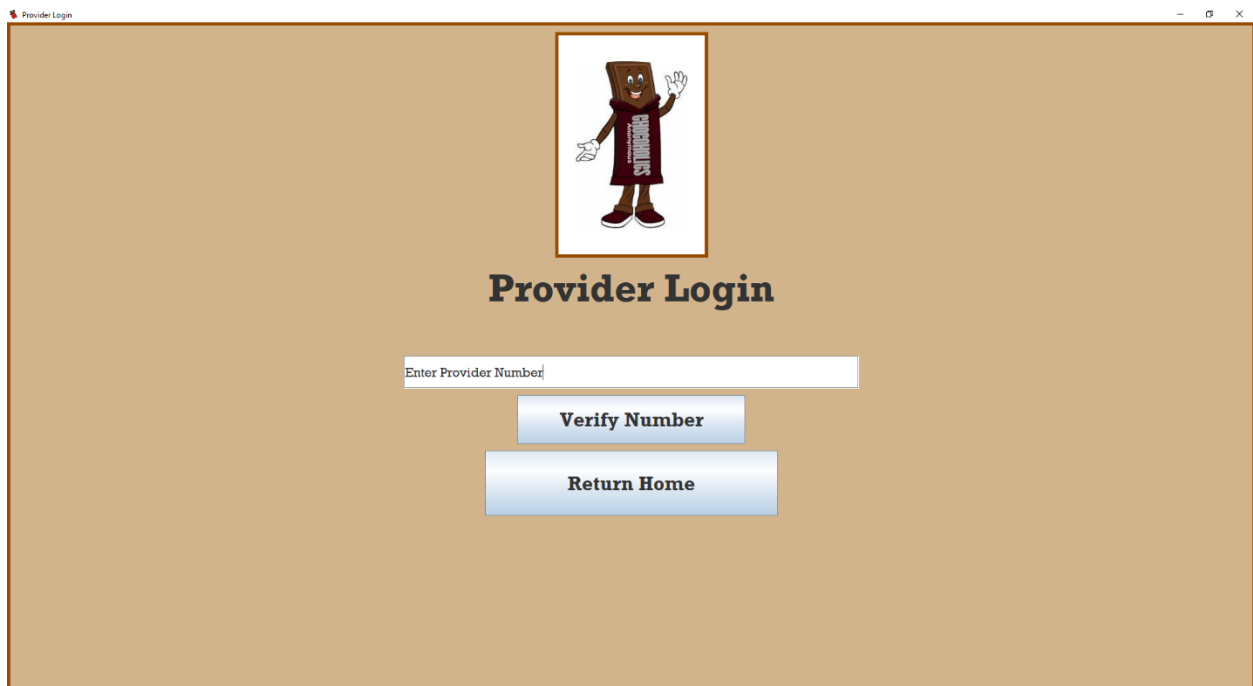

Once you have saved your SQL information, and every execution hereafter, you will be presented with this screen.

If you intend to use the software as a provider, click Provider Login. If you are using the software as an operator, click Operator Login. If you are using the software as a manager, click Manager Login. If you would like to run the main accounting procedure, click Run Main Accounting Procedure and confirm.

Provider Login

If you have selected Provider Login, you will be shown this screen.

Provider Login

Enter Provider Number

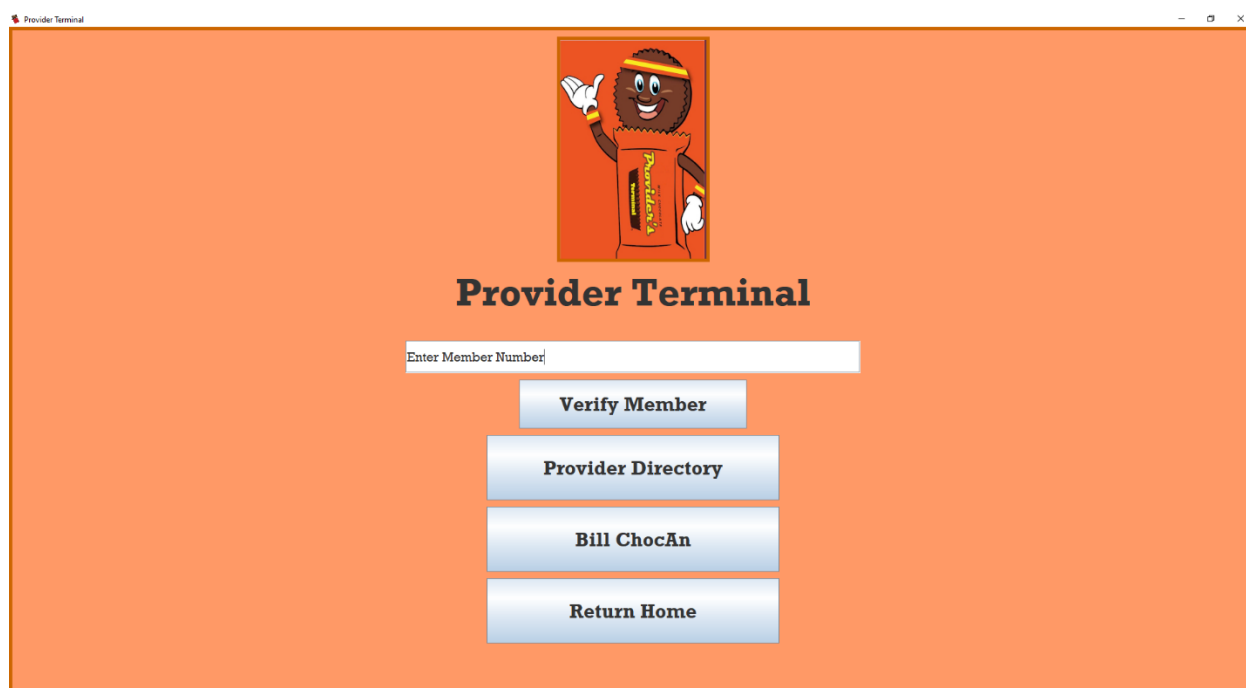

Verify Number

Return Home

To login, enter a valid nine-digit provider number and click Verify Number. If the number is valid, you will be presented with the Provider Terminal. If you would like to return to the home screen, click Return Home.

Provider Terminal

After your valid provider login, you will be shown this screen.

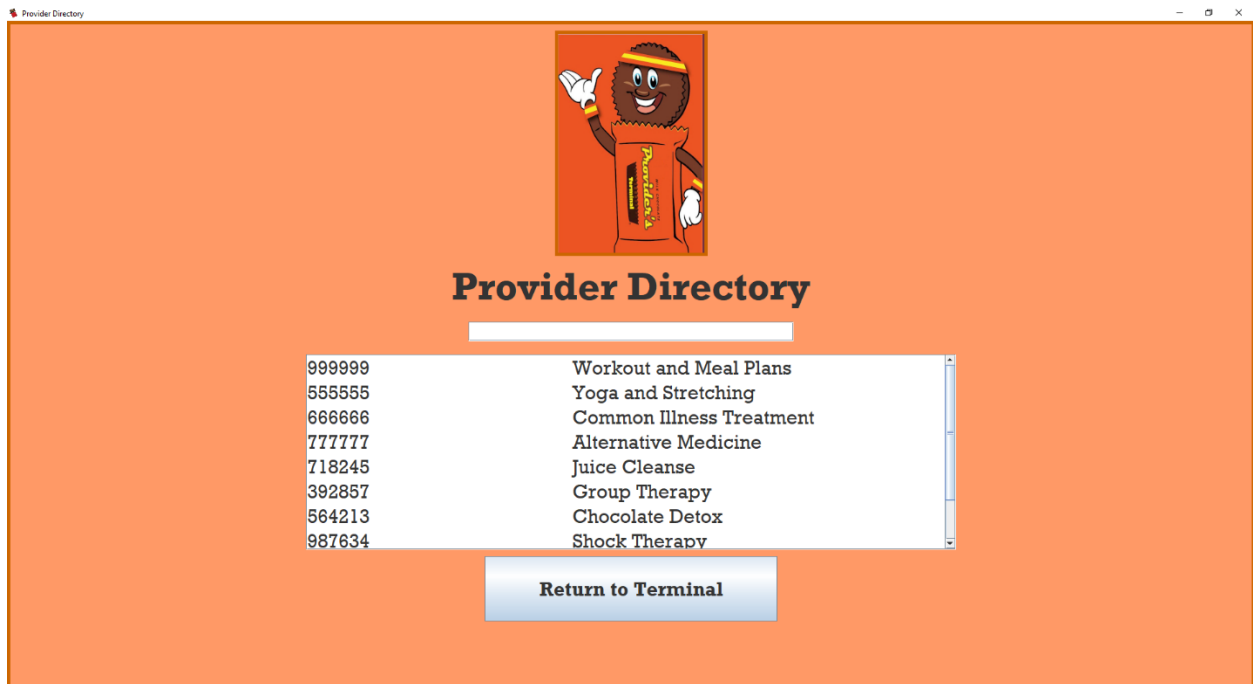

The screenshot shows a web application titled "Provider Terminal" with an orange background. At the top center is a cartoon character of a chocolate bar wrapper with a face, arms, and legs, wearing a yellow headband and holding a yellow pencil. Below the character, the text "Provider Terminal" is displayed in a bold, black, sans-serif font. Underneath the title is a white text input field with the placeholder text "Enter Member Number". Below the input field are four blue buttons with white text, stacked vertically: "Verify Member", "Provider Directory", "Bill ChocAn", and "Return Home". The browser window has a title bar at the top with the text "Provider Terminal" and standard window control buttons (minimize, maximize, close) on the right.

If you would like to verify if a member number is valid or suspended, enter a nine-digit number into the text box and click Verify Member. If you would like to view the Provider Directory, click Provider Directory. If you would like to create a bill for ChocAn, click Bill ChocAn. If you would like to return to the home screen, click Return Home.

Provider Directory

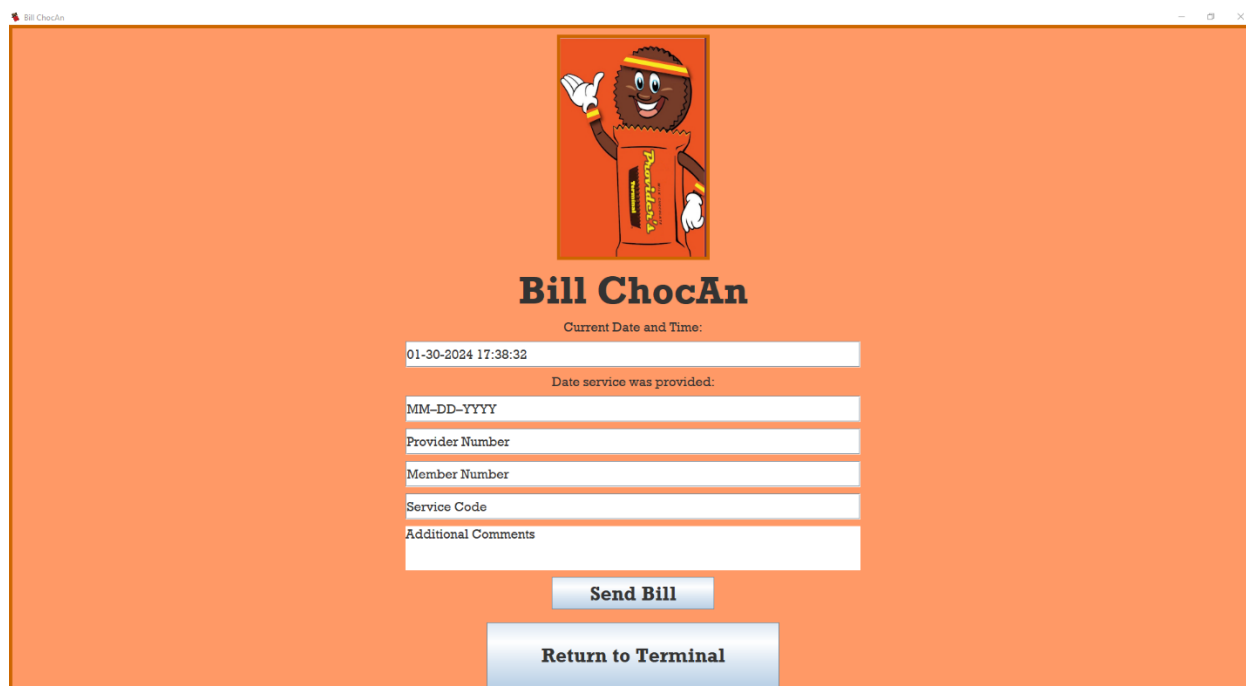

If you have selected Provider Directory, you will be presented with this screen.

On the left side of the panel, you will see a list of valid service codes the provider can utilize. On the right side, you will see each code's description of the service. If sort through the list based on a service code number, enter the digits into the textbox and the panel will be filtered.

Bill ChocAn

If you have selected Bill ChocAn, this screen will be displayed.

The screenshot shows a web application window titled "Bill ChocAn". At the top center is a cartoon character of a chocolate bar with a face, arms, and legs, wearing a yellow headband and holding a yellow sign that says "Provider's". Below the character is the text "Bill ChocAn" in a bold, black, serif font. Underneath the title is a form with the following fields and labels:

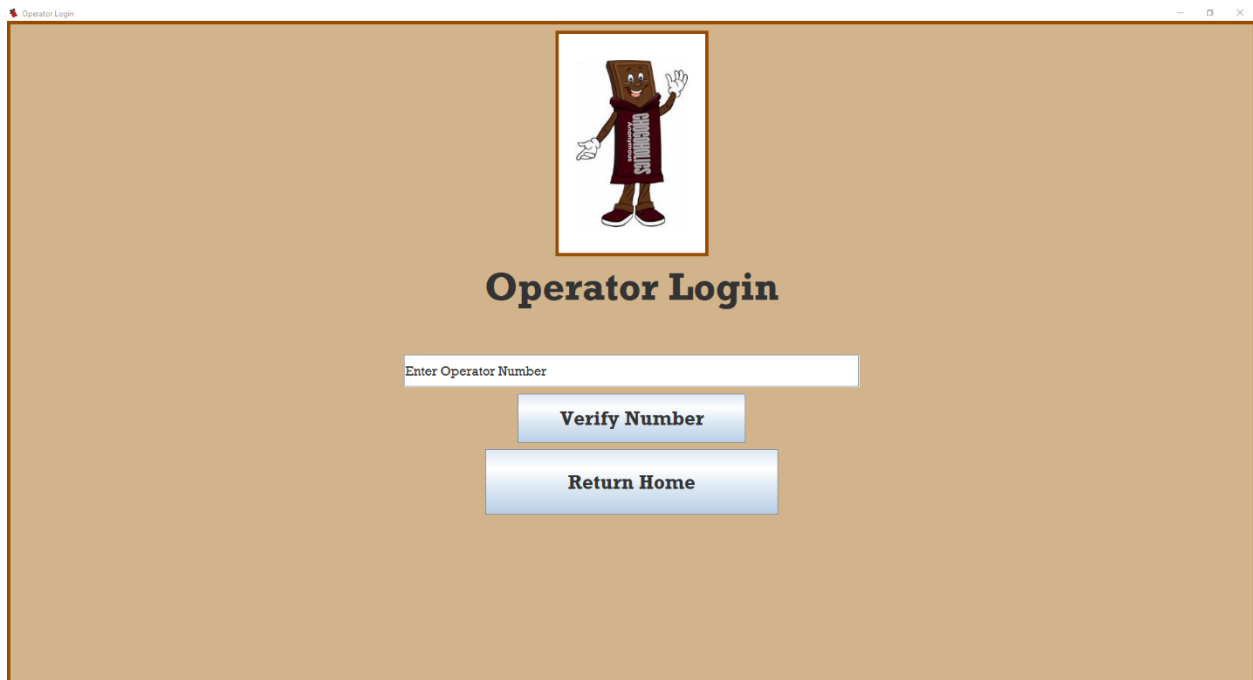

- Current Date and Time:** A text box containing "01-30-2024 17:38:32".
- Date service was provided:** A text box containing "MM-DD-YYYY".
- Provider Number:** A text box.
- Member Number:** A text box.
- Service Code:** A text box.
- Additional Comments:** A text box.

Below the form are two buttons: "Send Bill" and "Return to Terminal".

The first text box displays the current date and time, as this will be stored when you save the bill. In the second text box, enter the date the service was provided in the provided format. In the third text box, enter your provider number you used to login. In the fourth text box, enter the member number of the person who was provided the service. In the fifth text box, enter the service code of the service provided. In the sixth text box, enter any comments you would like to leave about the service. Click Send Bill and confirm to send the bill to ChocAn. If you would like to return to the Provider Terminal, select Return to Terminal.

Operator Login

If you have selected operator login, you will be shown this screen.

The image shows a web browser window titled "Operator Login". The background is a solid tan color. At the top center is a cartoon mascot of a brown box with a face, wearing a maroon apron with "Operator" written on it, and waving. Below the mascot, the text "Operator Login" is displayed in a bold, black, sans-serif font. Underneath the title is a white text input field with the placeholder text "Enter Operator Number". Below the input field are two blue buttons with white text. The first button is labeled "Verify Number" and the second button, positioned directly below the first, is labeled "Return Home".

Operator Login

Enter Operator Number

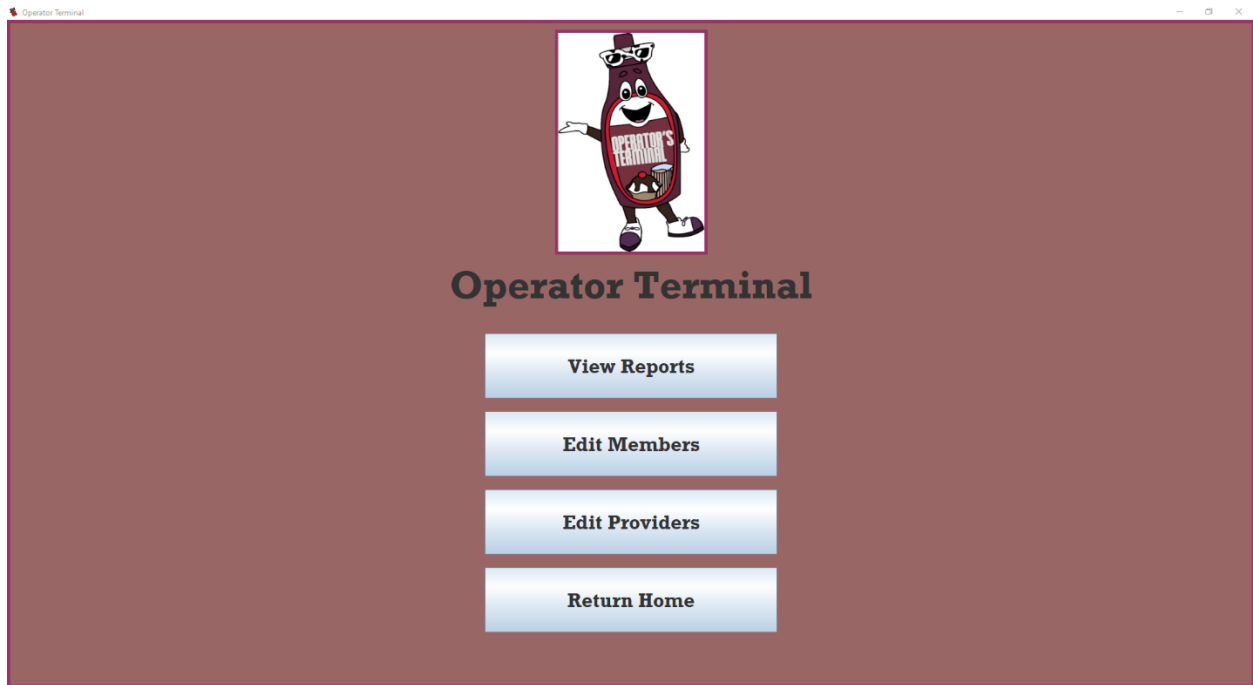

Verify Number

Return Home

To login, enter a valid nine-digit operator number in the textbox and click Verify Number. If the number is valid, you will see the Operator Terminal. If you would like to return to the home screen, select Return Home.

Operator Terminal

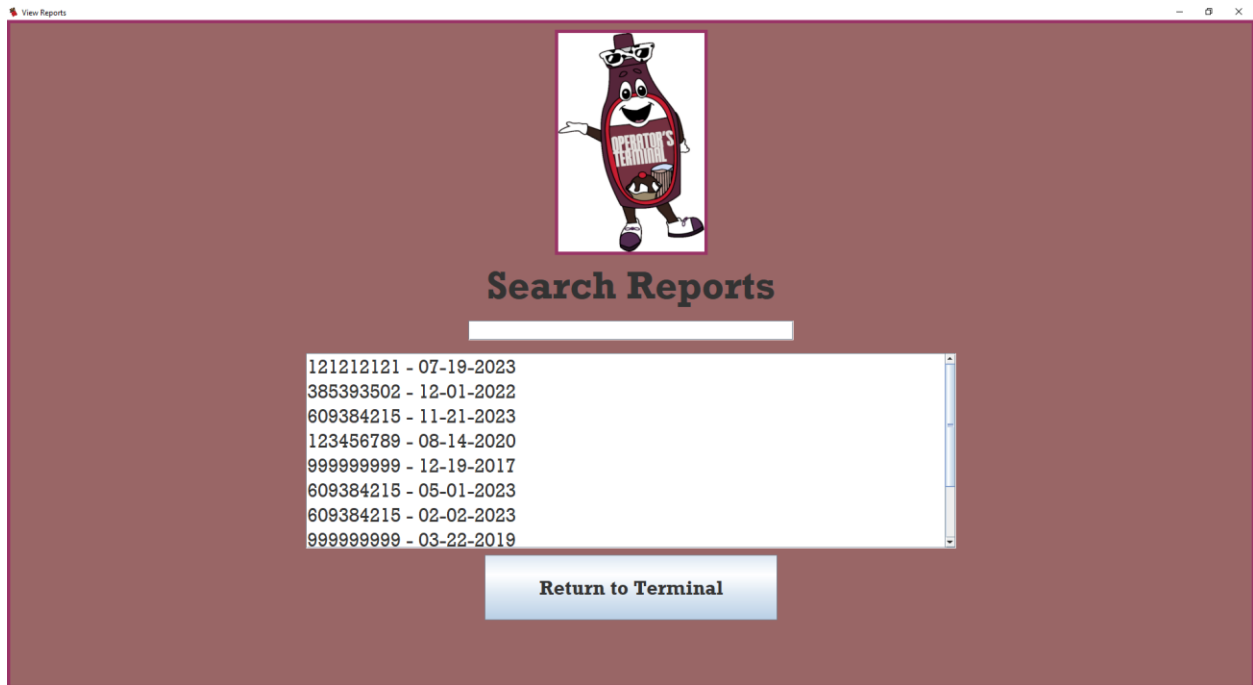

Once you have logged in as an operator, this screen will be displayed.

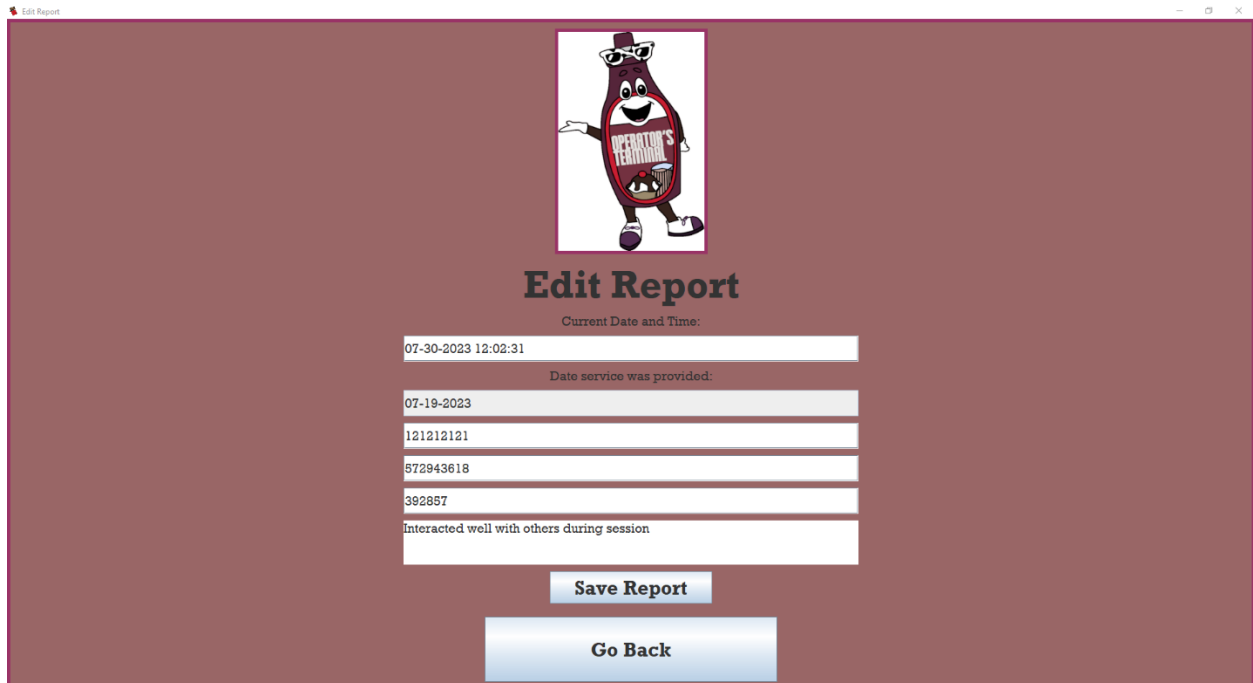

If you would like to view the contents of a bill sent by a provider, select View Reports. If you would like to make changes to the members, select Edit Members. If you would like to make changes to the providers, select Edit Providers. To return to the home screen, select Return Home.

View Reports

If you have selected View Reports, you will be shown this screen.

The initial string is the provider number of the provider of the service. The second string is the date the service was provided. If you would like to filter through the list, enter a provider number or date into the text box. To view a report, click it and confirm. To return to the Operator Terminal, select Return to Terminal. Once you have selected a report, it will display the following screen (with the correct information based on the report you choose).

The screenshot shows a web application window titled "Edit Report". At the top center is a cartoon mascot of a red chili pepper wearing sunglasses and holding a sign that says "SUPERBITION'S VENTURES". Below the mascot is the title "Edit Report" in a large, bold, black font. Underneath the title is a label "Current Date and Time:" followed by a text input field containing "07-30-2023 12:02:31". Below this is a label "Date service was provided:" followed by a text input field containing "07-19-2023". Below that is a text input field containing "121212121". Below that is a text input field containing "872943618". Below that is a text input field containing "392857". Below that is a text input field containing "Interacted well with others during session". At the bottom of the form are two buttons: "Save Report" and "Go Back".

Edit Report

Current Date and Time:
07-30-2023 12:02:31

Date service was provided:
07-19-2023

121212121

872943618

392857

Interacted well with others during session

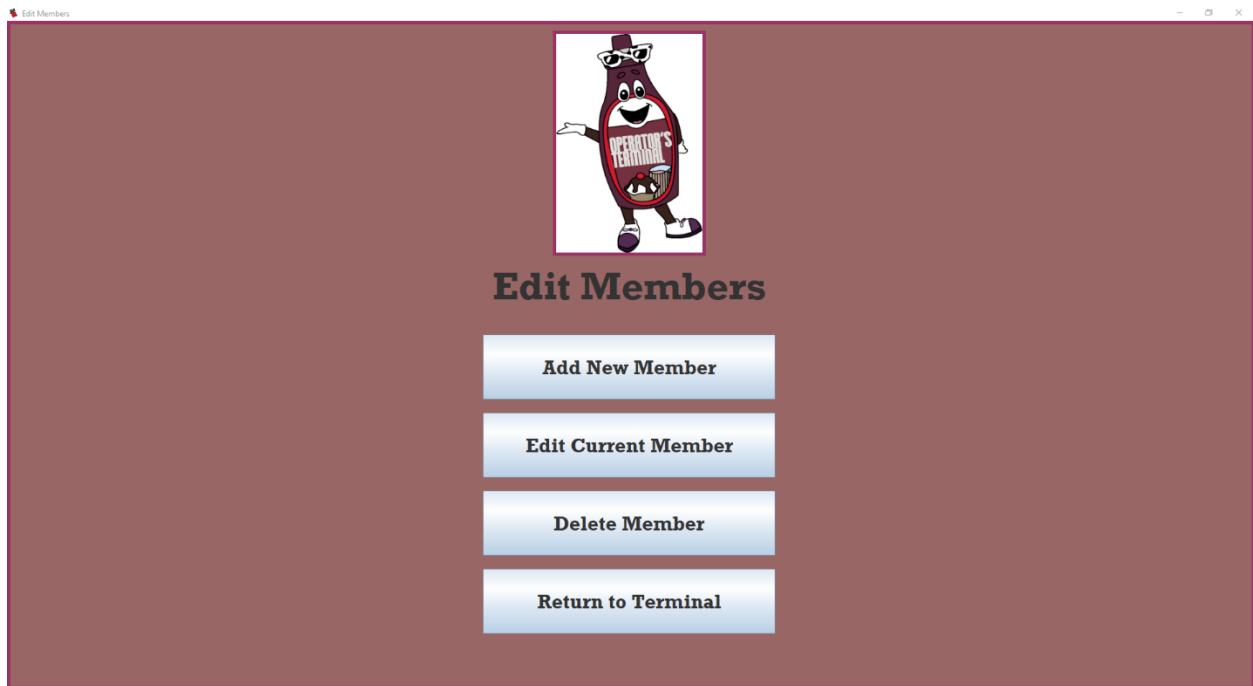

Save Report

Go Back

The first textbox shows the date the report was billed. The second textbox shows the date the service was provided. Note that this cannot be changed. The third textbox shows the provider number of the provider of service. The fourth textbox shows the member number of the receiver of service. The fifth textbox shows the service code of the service provided. The sixth textbox shows the comments left on the service. If you would like to save the report, click Save Report and confirm. To return to the reports list without saving the changed information, click Go Back.

Edit Members

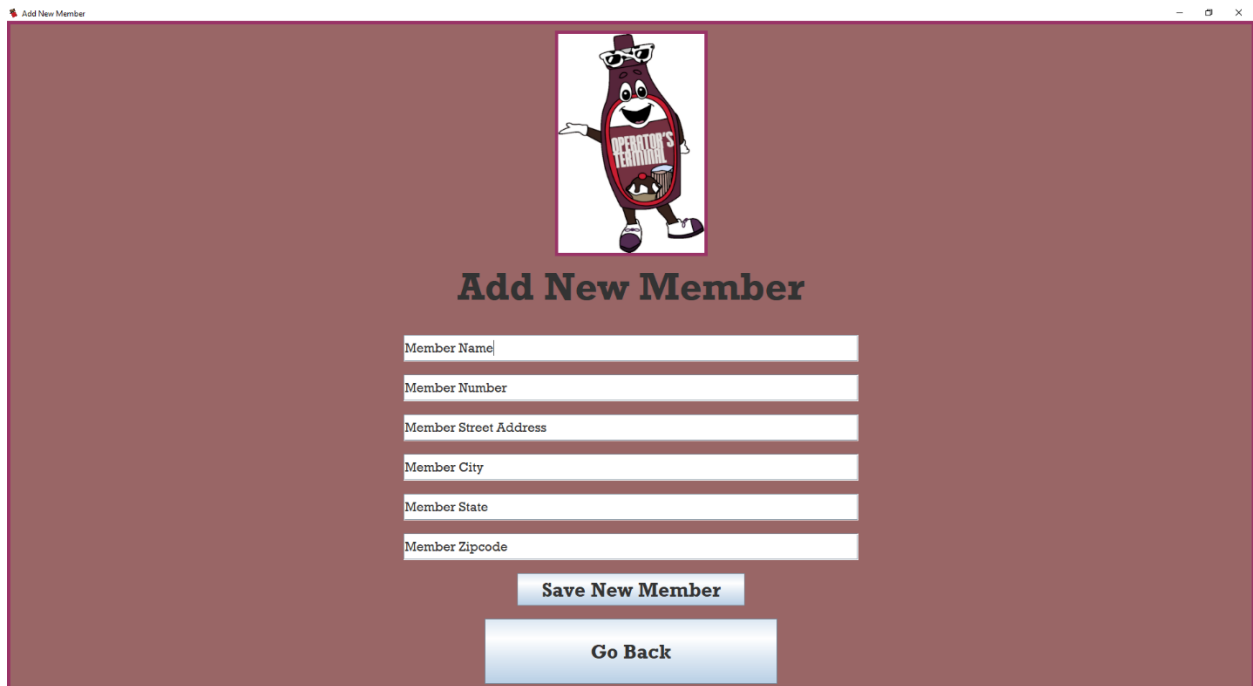

If you have selected Edit Members, you will be presented this screen.

If you would like to add a new member, click Add New Member. If you would like to update a current member's information, select Edit Current Member. If you would like to delete a member from the database, choose Delete Member. To return to the Operator Terminal, select Return to Terminal.

Add New Member

If you have selected Add New Member, this screen will be shown.

The screenshot shows a web browser window titled "Add New Member". The page has a maroon background. At the top center is a cartoon mascot of a beer bottle with a face, wearing sunglasses and a white shirt, holding a sign that says "VERMONT'S VERMONT". Below the mascot is the title "Add New Member" in bold black text. Under the title are six white text input fields with maroon borders, each with a label: "Member Name", "Member Number", "Member Street Address", "Member City", "Member State", and "Member Zipcode". Below the fields are two buttons: "Save New Member" and "Go Back", both with blue gradients and black text.

In the first textbox, enter the new member's name. In the second textbox, enter an unused nine-digit number. In the third textbox, enter the new member's address. In the fourth textbox, enter the new member's city. In the fifth textbox, enter the new member's state in its two-letter abbreviated format. In the sixth textbox, enter the new member's zip code. To save the new data, select Save New Member and confirm. To return to the Edit Members screen without saving, click Go Back.

Edit Current Member

If you have selected Edit Current Member, the following screen will be presented.

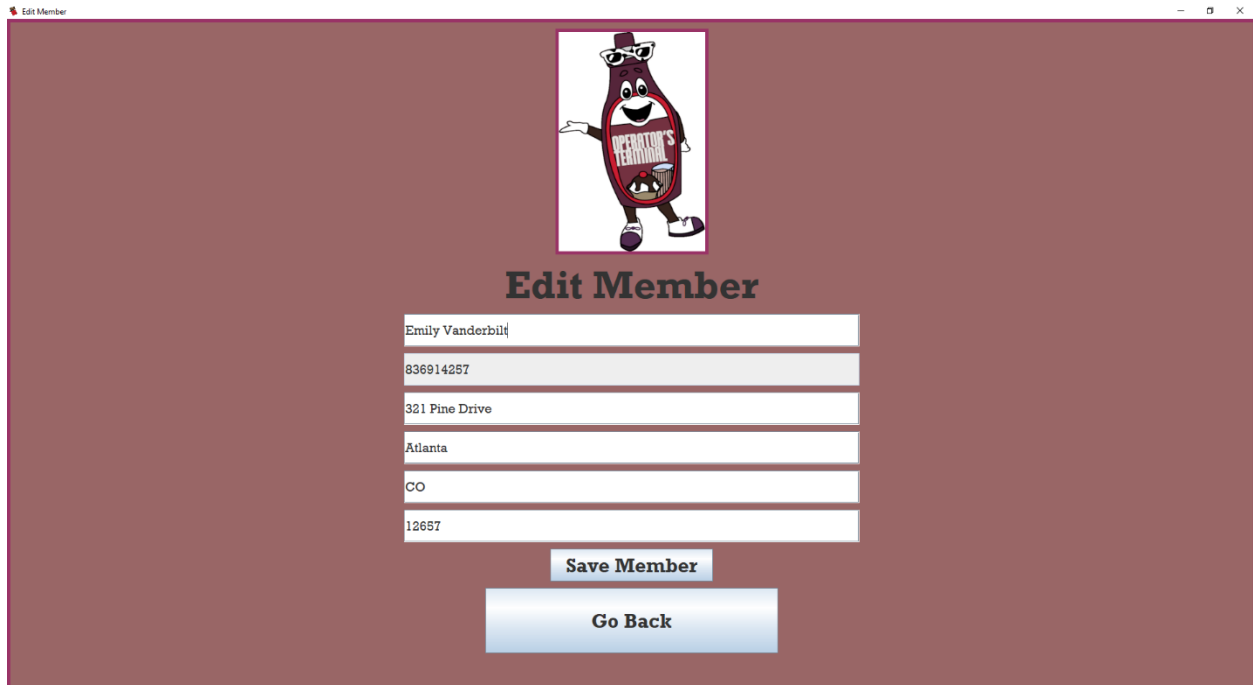

Edit Member

836914257
666666666
